THIS MONTH'S MEETING: TUESDAY, NOVEMBER 6, 2007

President's Message by Andre Blais

I hope everyone is enjoying the Fall flying season. The snow is not here yet, so there is no reason not to enjoy it. Our Fall Fun Fly went rather well considering the high winds we had that day. Many people just chose to sit and chat about the hobby, while a few die-hards flew regardless of the wind. Everyone seemed to enjoy the Barbecue, the socializing and prizes.

For those of you who did not make the zone meeting a week ago, it went well. There were updates from our zone execs and others regarding many MAAC issues. The fields in the Montreal

area that are having trouble with environmental issues are being dealt with through the courts at many levels of government. We should all keep an eye on what happens as it may affect us one day in Ontario. MAAC is very concerned over safety issues so let's keep up our good record by following all of our posted rules. They are there to protect ALL of us, and it is everyone's responsibility to ensure safety rules are being followed.

For a complete list of the rules, please visit our website at <http://www.ottawarcclub.ca/rules.php>

Thank you.

O.R.C.C. President
Andre Blais

Just a friendly reminder to support our local hobby shops.
They're always ready to help the club to support all of our events.
Your business is appreciated!

Drummond Field Report by Rick Ward

Contrary to some speculation the west end field is actually getting better.

Heavy equipment has smoothed out the transition from the runway to the temporary roadway to the north of the runway. The hole is growing daily, but that is an improvement over the forest we once flew over. With any luck Burnside will take down their part of the hill (already partly underway) which would leave us a clear vista to the far side of the Burnside pit.

The shelter is now closed in. The kerosene heater will be kept in the container but is ready for use should the cold weather arrive soon. Matches are in the cup on the south wall of the container.

In the next few weeks we will be putting up some more fence to protect those in the start up areas from wayward aircraft.

If you have questions or suggestions regarding Drummond Field please call me at 613-723-2661.

Rick.
