THIS MONTH'S MEETING: TUESDAY, JANUARY 8, 2007

President's Message by Andre Blais

"Happy New Year"

Another flying season has gone and passed. It does not seem that long ago that we were all waiting for the 2007 flying season to start. Here we are, 2008. I am sure this new year will be the best flying year yet, once we get rid of all this snow, of course. But there are many flyers that will brave the cold, mount some skis, and make winter a little more enjoyable. There are also many of us who prefer to stay indoors during the winter, and build planes and dream about the spring. Either way, 2008 is sure to be a great year for flying R/C. With our dollar being so high, it will only make our hobby even better. From what I have heard, there are many events lined up at the ORCC, and at many of the surrounding clubs. Take advantage of as many as you can.

I would like to say "Thanks", to all the members for making the ORCC a great club to fly at. And a special "Thanks" to all those of you who have donated your time over the past year(s), and in the coming year, to make our flying sites as enjoyable as they are.

2007 was an accident free year at the ORCC. That is something we should all be proud of. So, let's keep up the good safety record for 2008. Remember, "Safety" is everyone's responsibility.

Happy Flying

O.R.C.C President
Andre Blais

JANUARY MEETING – NEW LOCATION

The January meeting of the ORCC will be held in the "Craft Room" at the McNabb Community Centre. This is not the same location as the December meeting. Enter through the main door of the building, turn left, and go down the corridor past the windows overlooking the gym.

Just a friendly reminder to support our local hobby shops.
They're always ready to help the club to support all of our events.
Your business is appreciated!

Upcoming Events

The **ORCC Electric Fun Fly** will be held at the ORCC Drummond Field on **Saturday, August 23, 2008.**

Landing fee is \$5 which includes a BBQ lunch. Flying starts at 9AM.
Limited camping available (no hook-ups).

All types of electric airplanes and helicopters are welcome. Large or small - park fliers to kilo-watt machines. Bring your EDF bungee-launch jet and wow the crowd. Do you have a lovely scale electric airplane? We'd love to see it fly! Come and join us for a day of electric flying.

The **ORCC Warbird Fun Fly** will be held at the ORCC Drummond Field on **Saturday, July 5, 2008.**

Landing fee is \$5 which includes a BBQ lunch. Flying starts at 9AM.
Limited camping available (no hook-ups).

All types of warbirds, large or small, fixed wing or helicopters, are welcome. Because this is intended to be a fun event, we will be rather generous with the definition of a warbird. A limited selection of peel-and-stick insignias will be available. Come and show us your warbirds!
